

SENTINELAI (PTY) LTD

Terms and Conditions

Version: 1.0

Effective Date: 13 July 2026

1. Introduction

Welcome to SentinelAI.

These Terms and Conditions ("Terms") govern your access to and use of the SentinelAI mobile application, web platform, website, wearable device integrations, and all related products and services provided by SentinelAI (Pty) Ltd ("SentinelAI", "we", "our", or "us").

By creating an account, accessing, or using SentinelAI, you acknowledge that you have read, understood, and agree to be bound by these Terms. If you do not agree to these Terms, you must not use the SentinelAI platform or services.

These Terms should be read together with our Privacy Policy, which explains how we collect, process, and protect your personal information

2. Eligibility

To use SentinelAI, you must:

- be at least 18 years of age or have the necessary legal authority to use the platform through your employer or organisation;
- provide accurate and complete registration information;
- maintain the security of your account credentials; and
- comply with all applicable laws while using the platform.

SentinelAI reserves the right to refuse registration or suspend access where these requirements are not met.

3. Account Registration

You are responsible for maintaining the confidentiality of your login credentials and for all activities that occur under your account.

You agree to notify SentinelAI immediately if you become aware of any unauthorised access to your account.

SentinelAI may suspend or terminate accounts that contain false, misleading, or fraudulent information.

4. Use of SentinelAI

SentinelAI grants you a limited, non-exclusive, non-transferable, and revocable licence to access and use the platform solely for its intended purpose and in accordance with these Terms.

You agree to use SentinelAI responsibly and only for lawful purposes.

5. Acceptable Use

You must not:

- use SentinelAI for any unlawful purpose;
- interfere with the operation or security of the platform;
- attempt to gain unauthorised access to systems or data;
- upload malicious software or harmful code;
- reverse engineer, decompile, or attempt to extract the source code of the platform, except where permitted by law;
- misuse fatigue alerts or emergency features;
- impersonate another individual or organisation; or
- use the platform in any manner that could damage SentinelAI or other users.

6. Wearable Devices

SentinelAI may integrate with compatible wearable devices supplied or supported by authorised partners.

You are responsible for using wearable devices in accordance with the manufacturer's instructions and ensuring that they are charged, maintained, and worn correctly.

SentinelAI is not responsible for inaccurate results arising from damaged, improperly used, or unsupported devices.

7. Artificial Intelligence and Alerts

SentinelAI uses artificial intelligence and analytics to generate fatigue assessments, alerts, and operational insights.

These outputs are intended to support decision-making and should not be interpreted as medical advice, medical diagnosis, or guarantees of safety.

Users and organisations remain responsible for exercising independent judgement when responding to alerts generated by the platform.

8. Emergency Features

Where enabled, SentinelAI may send alerts or notifications to authorised contacts or supervisors based on configured safety workflows.

SentinelAI does not guarantee that emergency notifications will always be delivered, received, or acted upon.

In an emergency, users should contact the appropriate emergency services where possible.

9. Privacy

Your use of SentinelAI is subject to our Privacy Policy.

By using the platform, you acknowledge that your personal information will be collected, processed, and protected as described in the Privacy Policy.

10. Intellectual Property

All intellectual property rights in the SentinelAI platform, including software, source code, algorithms, artificial intelligence models, trademarks, logos, designs, graphics, documentation, and content, are owned by or licensed to SentinelAI (Pty) Ltd.

Nothing in these Terms transfers ownership of any intellectual property to the user.

11. Availability of the Platform

SentinelAI aims to provide reliable and continuous services but does not guarantee uninterrupted or error-free availability.

The platform may be temporarily unavailable due to maintenance, upgrades, security measures, or circumstances beyond our reasonable control.

12. Limitation of Liability

To the maximum extent permitted by applicable law, SentinelAI shall not be liable for any indirect, incidental, consequential, special, or punitive damages arising from or relating to the use of the platform.

SentinelAI provides information and decision-support tools and does not guarantee the prevention of accidents, injuries, illness, or other adverse events.

Nothing in these Terms limits liability where such limitation is prohibited by law.

13. Suspension and Termination

SentinelAI may suspend or terminate access to the platform where a user:

- breaches these Terms;
- engages in unlawful or fraudulent conduct;
- compromises the security or integrity of the platform; or
- uses the platform in a manner that may cause harm to SentinelAI or other users.

Users may stop using SentinelAI at any time. Termination does not affect any rights or obligations that arose before termination.

14. Changes to the Platform and Terms

SentinelAI may modify, improve, suspend, or discontinue features or services from time to time.

We may also update these Terms to reflect changes in our services or legal obligations. Where material changes are made, users will be notified through appropriate channels.

Continued use of SentinelAI after updated Terms become effective constitutes acceptance of the revised Terms.

15. Governing Law

These Terms are governed by the laws of the Republic of South Africa.

Any disputes arising from these Terms shall be subject to the jurisdiction of the competent courts of South Africa, unless otherwise required by applicable law.

16. Contact Information
